---------	----------	--

Conference Compromise placeholder trailer bill language as follows:

- *Hold counties harmless for reversion prior to 2017-18, with funds reallocated to the counties of origin for the originally allocated purposes (e.g. prevention and early intervention, or innovative programs).*

- *By July 1, 2018, require DHCS and the counties to report on the amounts owed prior to 2017-18 and require counties to submit a plan to spend these funds by July 1, 2020.*
- *Extend reversion period from three to five years for small counties.*
- *Require DHCS to post by each October 1 the amount of each county's funds subject to reversion and when the funds will revert.*
- *After July 1, 2017, require reverted funds be reallocated to other counties for the purposes originally allocated (e.g. prevention and early intervention, or innovative programs).*
- *Upon approval of an innovation plan by the Mental Health Services Oversight and Accountability Commission, allow funds allocated for innovative programs to re-start the three year period after which the funds would be subject to reversion.*
