Issue	Description	Difference (dollars in thousands)	Conference Action
-------	-------------	--------------------------------------	-------------------

4260-101-0001 Medi-Cal Program, Department of Health Care Services

211	Modify Governor’s Physician Services “Hard Cap” to be a “Soft Cap” at 7 visits.	-\$44,866 TBL	
-----	--	------------------	--

Both Houses rejected Governor’s proposal to institute “hard cap” of 10 office visits per year for certain Medi-Cal enrollees for reduction of \$392.9 million (\$196.5 million GF). Due to fiscal crisis, an alternative of a “soft cap” at 7 visits is proposed for a reduction of \$89.7 million (\$44.9 million GF).

This “soft cap” would apply to Adults. Children (21 years and under), pregnant women, and residents in Long-Term Care facilities are exempt. “Soft cap” would apply to both Medi-Cal Fee-for-Service and Managed Care plans. It affects outpatient primary care and specialty care provided under the direction of a Physician in the following settings:

- Hospital Outpatient Department;
- Outpatient Clinic;
- Federally qualified Health Centers (FQHCs);
- Rural Health Centers; and
- Physician Offices.

All visits above 7 would be subject to Physician “self-certification” that they are medically required. The savings level assumes that 15 percent of the visits above 7 would *not* be certified. An October 1, 2011 implementation date is assumed.

Issue	Description	Difference (dollars in thousands)	Conference Action
-------	-------------	--------------------------------------	-------------------

4260-101-0001 Medi-Cal Program, Department of Health Care Services

New	Technical Adjustment to 10% Provider Rate Reduction Regarding Long-Term Care Adjustment.	-\$39,100	
-----	---	-----------	--

Both Houses adopted the Governor’s 10 percent reduction in Medi-Cal Provider Payments, including Long-Term Care services.

The Administration has identified a technical adjustment related to the Governor’s 10 percent Medi-Cal Provider Payment reduction. This technical adjustment would provide an additional \$39.1 million (GF) in savings pertaining to Distinct-Part Nursing Facilities, Rural Swing Beds, Distinct Part Subacute and Pediatric Subacutes.

Without this technical adjustment, these specific facilities would be receiving an average reimbursement increase of 4.31 percent for 2010-11 and 4.76 percent for 2011-12, while other Medi-Cal providers would be experiencing a 10 percent reduction.

The intent of the Administration was to also reduce these facilities.

4260**Department of Health Care Services**

Issue	Description	Difference (dollars in thousands)	Conference Action
4260-101-0001	Medi-Cal Program, Department of Health Care Services		
New	Maximize Federal Funds Through Use of Emergency Medical Services Fund.	-\$55,000	
	Existing law authorizes collection of assessments on certain traffic and criminal violations, and revenue from traffic school fees. These funds are deposited in the Emergency Medical Services Fund (known as the “Maddy Fund”). These funds are used to compensate physicians and hospitals that provide emergency medical services to the uninsured and cannot pay for their medical care. This fund does <i>not</i> presently obtain a federal match.	\$55,000 Special Fund	
	To maximize federal funds, and offset \$55 million in General Fund support in Medi-Cal, the State could direct the use of the Emergency Medical Services Fund for expenditure in the Medi-Cal Program, where the State would obtain a federal match of \$55 million (federal funds).		
	Under the State’s recently approved 1115 Medicaid Waiver, uncompensated care provided by physicians and hospitals will be less since Counties are able to obtain a federal match for their low-income, uninsured adult programs.		
	Therefore, federal funds are being maximized to a full extent.		

4265**Department of Public Health**

Issue	Description	Difference (dollars in thousands)	Conference Action
4265-001-0236	State Support, Department of Public Health (DPH)		
New	Conforming Action: Delete State Support and Shift Special Fund to Backfill for GF Support in Medi-Cal.	-\$1,202 Prop 99	
	Both houses deleted 5 positions and \$965,000 (GF) from the County Health Services Branch within the DPH since the programs administered by this Branch no longer exist.	Unallocated	
	Additional information has revealed that 7.3 positions and \$1.2 million (Proposition 99 Funds, Unallocated Account) are remaining in the County Health Services Branch which could be deleted as a conforming action. These positions are no longer necessary for the purpose in which they were established. Further, other federal fund positions are being established within the DPH for which existing employees may apply for transition.	Shift to DHCS as GF reduction	
	The available \$1.2 million (Proposition 99 Funds, Unallocated Account) can then be appropriated in the Medi-Cal Program, administered by DHCS, and serve as General Fund backfill for a savings of \$1.2 million (GF).		

4300**Department of Developmental Services****Issue****Description****Difference**
(dollars in thousands)**Conference Action****4300-Various Department of Developmental Services**

New	Additional System-Wide Adjustment to Developmental Services.	-\$50,000 Across items
-----	---	---------------------------

Both Houses adopted a system-wide reduction of \$527.2 million (GF) to Developmental Services through a series of reductions and adjustments to community-based services as well as the State Developmental Centers.

The Governor proposed a system-wide reduction of \$750 million (GF).

Due to the fiscal crisis, an additional reduction of \$50 million (GF) from the Conference Budget Bill (SB 69) is proposed as follows:

- Delete \$2.7 million (GF) for capital outlay project at Sonoma Developmental Center for medical gases;
- Reduce by \$15 million (GF) from State Developmental Centers by further adjusting for population decreases, program consolidations, and related factors;
- Reduce by \$8 million (GF) the Prevention Program; and
- Reduce by \$24 million (GF) by increasing the Purchase of Services adjustment (for a total of \$174 million GF).

1920-011-0001 California State Teachers' Retirement System (CalSTRS)

2011-12 State Contribution.

Governor proposed an estimated 2011-12 state contribution to CalSTRS of \$1.35 billion GF. Included in that total is \$141.9 million for Education Code Section 22955(b) payment obligations.

Senate
\$1,350,000
GF

Senate approved as budgeted.

Assembly
\$1,350,000
GF

Assembly approved as budgeted.

Difference
\$0

On March 1, 2011, the LAO reported that CalSTRS informed the LAO that CalSTRS' interprets the timing requirements of Education Code Section 22955(b) in a manner that reduces the state's 2011-12 payment obligation to CalSTRS by \$35.5 million, as compared to the amount included in the Governor's budget.

The Governor's budget assumes a July 1, 2011, start date for the state's Section 22955(b) payment obligation, followed by three additional quarterly payments in 2011-12. CalSTRS' interpretation of Section 22955(b) is that the payments are not required to start until October 1, 2011.

New	Conforming Action: Delete State Support and Shift Special Fund to Backfill for GF Support in Medi-Cal.	-\$1,202 Prop 99	
	Both houses deleted 5 positions and \$965,000 (GF) from the County Health Services Branch within the DPH since the programs administered by this Branch no longer exist.	Unallocated	
	Additional information has revealed that 7.3 positions and \$1.2 million (Proposition 99 Funds, Unallocated Account) are remaining in the County Health Services Branch which could be deleted as a conforming action. These positions are no longer necessary for the purpose in which they were established. Further, other federal fund positions are being established within the DPH for which existing employees may apply for transition.	Shift to DHCS as GF reduction	
	The available \$1.2 million (Proposition 99 Funds, Unallocated Account) can then be appropriated in the Medi-Cal Program, administered by DHCS, and serve as General Fund backfill for a savings of \$1.2 million (GF).

New	Additional System-Wide Adjustment to Developmental Services.	-\$50,000 Across items	
-----	---	---------------------------	--

Both Houses adopted a system-wide reduction of \$527.2 million (GF) to Developmental Services through a series of reductions and adjustments to community-based services as well as the State Developmental Centers.

The Governor proposed a system-wide reduction of \$750 million (GF).

Due to the fiscal crisis, an additional reduction of \$50 million (GF) from the Conference Budget Bill (SB 69) is proposed as follows:

- Delete \$2.7 million (GF) for capital outlay project at Sonoma Developmental Center for medical gases;
- Reduce by \$15 million (GF) from State Developmental Centers by further adjusting for population decreases, program consolidations, and related factors;
- Reduce by \$8 million (GF) the Prevention Program; and
- Reduce by \$24 million (GF) by increasing the Purchase of Services adjustment (for a total of \$174 million GF).

101	Expansion of Psychiatric Program at CA Medical Facility—Vacaville.	Senate -\$1,800
-----	---	--------------------

Governor. Increases by \$7.5 million (GF) to support 80 new positions to increase capacity of the Vacaville Psychiatric Program administered by the Department of Mental Health (DMH).	Assembly \$0 Difference \$1,800
---	--

DMH is increasing capacity at Vacaville in order to accelerate the activation schedule for 64 beds in the Intermediate Treatment Program as requested by the Coleman Court. DMH contends the positions are needed to meet the September 2011 schedule.

Senate. Adopted LAO recommendation to reduce by \$1.8 million to account for a phase-in of the 80 positions based on Vacaville activation schedule provided by DMH. The reduction reflects a 25 percent reduction.

Assembly. Approved as budgeted.

301 **Transitional Housing Program-Plus (THP-Plus)** Senate
\$14,000

Governor proposes a reduction of \$19 million GF, or over 50 percent of the program’s funding, to THP-Plus. Assembly
\$0

Senate approved \$5 million of the proposed reduction and budget bill language regarding the intent to maintain program availability and infrastructure in the budget year. Difference
\$14,000

Assembly approved the Governor’s proposal.

THP-Plus provides up to two years of transitional housing and support services to former foster youth ages 18 to 24. At one point last year, there were 1,400 young adults and 168 of their children in THP-Plus in 52 counties. The proposed reduction would eliminate 650 beds. Beginning January 1, 2012 and phased in annually through 2014, youth from 18 up to 21 years old who opt to remain in foster care under AB 12 (Chapter 559, Statutes of 2010) will have the option of living in “THP-Plus foster care,” among other placement types, with newly available federal financial participation.

1920-011-0001 California State Teachers' Retirement System (CalSTRS)

2011-12 State Contribution.

Governor proposed an estimated 2011-12 state contribution to CalSTRS of \$1.35 billion GF. Included in that total is \$141.9 million for Education Code Section 22955(b) payment obligations.

Senate
\$1,350,000
GF

Senate approved as budgeted.

Assembly
\$1,350,000
GF

Assembly approved as budgeted.

Difference
\$0

On March 1, 2011, the LAO reported that CalSTRS informed the LAO that CalSTRS' interprets the timing requirements of Education Code Section 22955(b) in a manner that reduces the state's 2011-12 payment obligation to CalSTRS by \$35.5 million, as compared to the amount included in the Governor's budget.

The Governor's budget assumes a July 1, 2011, start date for the state's Section 22955(b) payment obligation, followed by three additional quarterly payments in 2011-12. CalSTRS' interpretation of Section 22955(b) is that the payments are not required to start until October 1, 2011.

8885-295-0001 Commission on State Mandates

200	Brown Act – Open-Meeting Mandate	Senate	
		-\$53,300	

Governor proposes suspension of the Brown Act mandate for 2011-12. The Administration estimates this action would result in General Fund savings of \$63.3 million, which is the amount due in 2011-12 for prior-year claims. This mandate requires local governments to post agendas three-days prior to public hearings and to disclose actions taken in closed sessions. Under the constitution, either the prior-year claims must be fully paid or the mandate suspended.

Assembly	\$0
----------	-----

Difference	\$53,300
------------	----------

Senate rejected suspension of the mandate and adopted a placeholder funding level of \$10 million (or a reduction of \$53.3 million) to place the issue before the budget conference committee.

Assembly rejected suspension of the mandate and funded the full 2011-12 reimbursement obligation of \$63.3 million.
